### ACCREDITATION COMMITTEE OF THE IRBA AND PANEL OF SUBJECT MATTER EXPERTS CALL FOR NOMINATIONS

Johannesburg / 30 July 2021

Please take note of the [Call for Nominations advertisement](#) to serve on the **Accreditation Committee** (ACCOM) and on the panel of **Subject Matter Experts (SMEs)** to support the ACCOM in its evaluation of an application by a professional body seeking accreditation.

ACCOM is an ad hoc subcommittee of the Education, Training and Professional Development Committee (EDCOM) to assist the EDCOM in evaluating this application for accreditation.

Members of the SME panel will be required to evaluate the application for accreditation submitted by the professional body against the required competencies of Registered Auditors, as set out in the IRBA's competency framework and contained within the [Accreditation Model](#).

SMEs are an integral part of the ACCOM's evaluation process and have an important opportunity to make a meaningful contribution to the auditing profession, in the public interest, at a national level through the generous contribution of their expertise.

A nomination form, and further information regarding the Board and the Statutory Committees, are available on the [IRBA website](#).
